MEMBER HIGHLIGHT OF THE MONTH

Summer months mean sunny skies and breezy weather, so try your hand at windsurfing and kitesurfing at many of the beautiful spots across Marin County. When the waters calm in the winter months, it's time to book a paddleboarding class or explore the Bay in a kayak.

101 Surf Sports is a full-service water sports sporting goods retailer serving the San Francisco Bay area from San Rafael, CA. They support Stand Up Paddleboarding, Windsurfing, Kayaking, Outrigger Canoe, and Kiteboarding. Windsurfing Champion Cort Larned, the owner of **101 Surf Sports** in San Rafael, explains that these easy-to-do water sports are massively popular and fun for all age groups. The shop is located on the water and so allows them to provide rentals, lessons, and demo's right in their "back yard".

101 Surf Sports features one of the biggest water sports inventories on the west coast so it makes sense that their focus is on building a community of people that love the water as much as they do and then "pay it forward."

Member of the Marin Convention & Visitor Bureau since April 2013
